WHO WE ARE

Founded in 1983, Real Choices Women's Centers (formally CPC), is a faith-based, 501c3 non-profit organization that values all life, shares truth and the Gospel, restores hope to the brokenhearted, and meets tangible human needs. With a small staff and an army of dedicated volunteers, we offer ALL of our services **FREE** to anyone in need. We have offices in Midtown Reno and Fernley, NV.

WHAT WE DO

- Pregnancy Tests and Pregnancy Options Coaching
- Limited Ultrasounds
- Pregnancy/Parenting Classes
- Fatherhood Support
- Abortion Recovery Support
 - *Healing abortion trauma halts the abortion cycle and saves more babies!*
- Miscarriage Grief Support
- Birth Mom Support and Adoption Consultations
- Material support

SUPPORTING LIFE LOCALLY MATTERS

LIFE needs YOU. We serve ALL of Northern NV and beyond. Reno is home to multiple brick-and-mortar abortion facilities. The abortion pill is available to order online 24/7 - which disturbingly turns thousands of local homes into abortion clinics every year. Together, we WILL save lives!

WAYS TO HELP

Volunteers are the heartbeat of Real Choices. Be a part of the everyday miracles at our centers.

Client Advocate - train to become a pregnancy coach and meet 1:1 with clients.

Parenting Class Teacher - coach students in person or online through our curriculum.

Material Donations - we LOVE donations. **Please contact our centers FIRST to see what our current needs are.**

Men's Support - security detail, dad support, or help with projects around our offices.

"Fairy Godmothers" - who we call when our clients need something extra special (e.g. a new car seat).

Pray for us, sponsor a Gala table, tell your church, friends and family about us, plan a walk-a-thon...You have a place to serve at RCWC!
